Enhanced Vehicle Imaging (EVI) now available at 74 full-service Manheim locations. **93,000+** vehicles offered with enhanced, high-resolution images in Q3.

Nearly **70,000** vehicles centrally listed on OVE in Q3, allowing 120+ commercial consignors to more efficiently sell vehicles online.

12% increase in transactions facilitated by independent auctions on OVE in Q3.

"The Enhanced Vehicle Imaging service we use from Manheim Milwaukee has proven to be a big boost to our bottom-line and grown our online attendance," said Jeff Ricchio, remarketing manager, Napleton Automotive Group. "And, we love the positive feedback we get from buyers about the photos."
