### About Manheim

Manheim is the nation's leading provider of end-to-end wholesale vehicle solutions that help dealer and commercial clients increase profits and efficiencies in their used vehicle operations. Through its physical, mobile and digital sales network, Manheim offers services for decisioning, buying and selling, floor planning, logistics, assurance and reconditioning. Operating the largest vehicle wholesale marketplace, Manheim provides clients with choices to connect and transact business how and when they want. With nearly 5 million used vehicles handled in 2022, Manheim team members helped facilitate transactions representing around \$75 billion in value. Headquartered in Atlanta, Manheim is a [Cox Automotive](#) brand. For more information, visit <http://press.manheim.com>

## Leadership

### Grace Huang, President Cox Automotive Inventory Solutions

Grace Huang leads Cox Automotive's Inventory Solutions division. The group connects Manheim, the nation's largest wholesale vehicle marketplace, with a suite of powerful global inventory management solutions, such as vAuto, Kelley Blue Book Instant Cash Offer and Upside. Groups that report to Grace include Manheim Marketplace, Manheim Digital, Inventory Management Solutions, Safety, Logistics and Cox Automotive International.

## Sustainability

Manheim plays a key role in Cox Conserves, a national sustainability program that focuses on:

- **Embracing renewable energy**
  - Photovoltaic solar installations at 22 locations collectively prevent more than 13,500 tons of carbon from entering the environment.
- **Reducing energy consumption**
  - LED lighting projects across Manheim locations have reduced carbon emissions by 38,200 tons annually.
- **Conserving natural resources**
  - Xeriscaping, rain harvesting, reclamation and replenishment projects have saved 79 million gallons of water annually.
- **Moving toward zero waste to landfill**
  - Almost 90% of Manheim locations divert at least 50% of their waste from landfills. Three locations have attained zero waste to landfill status.
